Spotlight on learning

Welcome back after the Christmas break. The children have settled back into the new term and are working really hard. Again we have a very busy term ahead of us. In February we have our annual Safer Internet Day where the children will be learning about keeping themselves safe online. We will also send some information home to parents this week to keep you informed about internet safety in the home. Towards the Easter break we will be holding our second parent conference evening. This will be an opportunity to talk to your child's teacher as well as look at all the fantastic learning in your child's books. We are still focusing on reading so please encourage your child to read with adults/older siblings/grandparents – this may earn your child extra Dojo points!

After school clubs

All our after school clubs are up and running now and will run until w/c 19th March.

It is very important that your child is collected on time. Any children who are collected late may lose their place at the club.

If we ever need to cancel clubs we will send a text message to inform parents. If your child is being collected by someone else please could you make sure that you inform them if club is cancelled.

Well Done

Class with the best attendance this week: with **6A 98.7%**
Most punctual class this week: **4B - 6 weeks on the run. Fantastic!**

Congratulations!

to Mr. Winteringham who got married over the holidays.

Please make sure that your child has their PE kit in school at all times. As a school we have a legal obligation to make sure all children participate in PE. If your child does after school club please send separate clothes for club if possible.

The Christian Value we are focusing on this half term is Perseverance. We work together to overcome any obstacles, however challenging, to achieve our goals. We try and try again, building resilience which helps us deal with any disappointments on our journey to success.

Every two weeks school will focus on a particular Personal Learning Goal and children will be rewarded for displaying outstanding skills with a particular goal.

For the next two weeks children will be learning about "Co-operation"

To understand that different people have different roles to play in groups and to adopt a different role depending on the activity and the needs of the group. Be able to work alongside and in co-operation with others.

Congratulations to all the children who showed "Respect" in school over the last two weeks. These children were:

Reception: Azaan, Hamnah, Zara, Madison, George, Haaris, Daniel & Caroline

Year 1: Amelia, Dawud, Misbah, Huzaifa, Holly, Danyaal, Kaana & James
