Spotlight on Learning

What an amazing week in school! A HUGE well done to all Year 6 who have worked incredibly hard this week during their SATs. We are all very proud of you – now make sure you all have a great weekend. Year 2 are also doing their SATs this week and next week – all of Y2 have tried their very best in school and again, have made all the staff very proud.

Last week we held the annual proms event for Y3 recorders – again this was very successful and many parents commented on the talent of the Y3 musicians!

Just a reminder, if you are interested in becoming a parent governor, please pop into school and speak to myself.

Our Values Tree

'A tree is known by its fruit'

Matthew 12.33

Please check your child's hair on a regular basis as we have numerous reports of head lice across the school.

School Meal Patterns

Please note that if you want your child to change from packed lunches to school meals or school meals to packed lunches then you will need to give school a terms notice. We need to give the kitchen accurate numbers in order for them to order the correct amount of food.

We cannot allow people to change meal patterns half way through the term. Please let the office know on the first day of term if you want your child to change meal pattern, otherwise you will still be charged.

School Tuck

If you would like your child to have school tuck they must pay their teacher the Friday before. Failure to do so may result in your child missing tuck on Monday as the office is extremely busy.

The children use the IPC learning process in every unit across the school. It provides a structure to ensure that all children's learning experiences are engaging and meticulous.

Each week we celebrate the class with the highest attendance. Here is the overall attendance for the week

The Christian Value we are focusing on this half term is friendship.

Here at SSSJ pupils are encouraged to be the best friend they can be, to their peers and children around school, putting each of our Christian values into action.

How good and pleasant it is
when God's people live together in unity!

-Psalm 133:1

Every two weeks school will focus on a particular Personal Learning Goal and children will be rewarded for displaying outstanding skills with a particular goal.

For the next two weeks children will be learning about “Resilience”:

‘ To be able to stick with a task until it is completed and to learn to try again if unsuccessful the first time round’.
