Spotlight on learning

Happy New Year to you all. We hope that you all had an enjoyable break. This term has started well, the children have settled quickly to their learning. Your children will shortly be bringing home their new curriculum newsletters which will tell you everything your child will be learning this term. Please check out the school website for further information too. On the website we have added a parent learning section. This contains information about workshops we have held in school linked to the children's learning in school. Mrs Taylor and Mrs Abadi are working hard to get you all involved in some activities! In June, we will be holding our bi-annual art exhibition and workshops linked to art are being held with different year groups. From speaking to parents who have already done some art work with your children, it seems you have all found a hidden talent! We are all looking forward to a GREAT term! Mrs Peacock

The Christian Value we are focusing on this half term is **hope**.
Hope is a key theme for life at SSSJ. At the beginning of the year in particular, the children are encouraged to share their hopes and aspirations for the year ahead. Throughout the year, the children are encouraged to carry their hopes and live each day with belief in themselves and others.

Every two weeks school will focus on a particular Personal Learning Goal and children will be rewarded for displaying outstanding skills with a particular goal.

For the next two weeks children will be learning about "Respect":

'To learn about the varying needs of other people, living things and the environment and to show respect for the world itself.'

Congratulations to all the children who showed "Resilience" in school over the last two weeks. These children were:

Year 1 and 2 all demonstrated resilience during the nativity rehearsals – well done!

Year 2: Lucy, Aleena, Hassan & Tyler
