Spotlight on learning

What a week of super learning! A HUGE well done to our Y2 and y6 children who completed their SATs recently. All the children worked incredibly hard and we are all very proud of their efforts.

As we move towards the half term break before the final half term of the academic year, please make a note of the important dates below.

Our annual parent 'Meet the Teacher' evening will be held on Monday 9th July for children who will be in Y1 to Y6 from September. More details will follow on this.

May I take this opportunity to wish you all a very happy (and hopefully sunny) half term. Mrs Peacock

Paying at the office.

Please note after half term:

- All monies must be put in a named envelope. We cannot accept loose money through the window
- We cannot give change. Any money left over will be put as a credit on your child's account
- Please use our texting service for balance enquiries.

The Christian Value we are focusing on this half term is Trust. Pupils are encouraged to trust one another and have a firm belief in the school and its systems, resulting in pupils who are positive and confident in their learning.

Every two weeks school will focus on a particular Personal Learning Goal and children will be rewarded for displaying outstanding skills with a particular goal.

For the next two weeks children will be learning about "Respect". To learn about the varying needs of other people, living things and the environment and to show respect for the world itself.

Congratulations to all the children who showed "Resilience" in school over the last two weeks. These children were:
