The PE Funding Allocation for 2018/19 will be: £19,560

Review and reflection on the previous year's spend (2017 -18) and identified current needs and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none">• Embedded a new PE curriculum across school.• Staff received CPD from coaches delivering the new scheme of work.• New assessment strategy embedded in PE linked to the new scheme of work.• Increased after school clubs provided for the children.• Opportunities for children to experience different activities they have not had the opportunity to experience like archery, self-defense, golf and frisbee• Increased competitive sport through inter competitions by joining a local sports cluster group.• Raised the importance of being active and staying healthy through a workshop being delivered to the children.	<ul style="list-style-type: none">• Increase the number of intra-school competitions in school.• To ensure all areas of PE are taught to a high standard by the external provision to benefit in developing the teaching staffs CPD.• Continue to provide a wide range of sports and activities during and after school for the children that can be sustained by buying the necessary equipment and training staff members.• Increase the number of sports clubs for KS1 children.• Look at courses members of staff can attend to improve knowledge, skills and confidence.• Look into ways to increase physical activity across school.• Look into different ways to maintain and raise the profile of PE and sport across school.• Apply for the Sports Mark Award.

For the year 2018/19 we have been allocated £19,560 to spend on improving our PE provision at SSSJ. We are using our sports funding his year to:

- * Continue to embed and implement the new PE scheme throughout the whole school, based on the new national curriculum guidelines.
- * Hire specialist PE coaches to teach the PE scheme, alongside our staff, as a valuable staff training programme.
- * Trial a new scheme for gymnastics and dance taught by specialist coaches alongside our staff, as a valuable staff training programme.
- * Continue to build on the wide range of existing after schools we currently run with a focus on KS1. This will provide the children with even more opportunities to participate in a wide range of sports and activities such as golf, self-defence, tennis, archery and street dance.
- * Replenish, update and add new resources and equipment ensuring high quality PE lessons are sustained. New equipment will also enable even more sports and activities to be delivered.
- * Continue to provide the children with opportunities to participate in internal and external sports competitions to increase participation in competitive sport.
- * Raise the profile of PE by inviting different sporting companies into school, looking into visits from local professional role models and through awards during celebration assemblies linked to inter and intra-competitions.
- * Identify courses to improve staffs knowledge and confidence in delivering PE and raise the standards.
- * Providing the Play Makers Award for children.
- * Hold sports days across school to allow children to experience competitive sport and increase participation.
