## Spotlight on learning

We have had an interesting few weeks in school. Last week, we welcomed visitors to tour round our school looking at learning with a particular focus on the IPC. The visitors were so impressed with learning in classrooms and were overwhelmed by the children's home learning log projects. The children were also given the opportunity to talk about their learning to the visitors. They were the real stars! The children talked confidently about the different subjects within the IPC and the knowledge they had gained over time.

We also celebrated Word Book Day. Thank you to the parents for your support in this event. The children's costumes were amazing. The purpose of this day is to encourage children to read more often. Please can you ensure your child is reading at home, regardless of year group, at least three times a week as part of their reading homework.

**End poverty. Together.**

If you would like to bring something into school to celebrate your child's birthday we ask that it is **NOT** homemade and is pre packed. It also needs to be suitable for vegetarian's and does **NOT** contain nuts as we have a number of children in school with severe allergies.

Every two weeks school will focus on a particular Personal Learning Goal and children will be rewarded for displaying outstanding skills with a particular goal.

Congratulations to all the children who showed 'Thoughtfulness' in school over the last two weeks. These children were:

Dragonflies: Ayza, Ehan, Bethany & Ayyan

Fireflies: Javeria, Akin, Ibrahim & Danyal

Year 1: Akif, Arisha, Hadiyah, Hirah, Aahil, Mustafa, Halima & Yahya
