Dear Colleagues

Thank you for your very kind harvest donation to Farnworth and Kearsley Foodbank.

**Your donations weighed 197.78 kg which equates to providing  
83 nutritional meals for people in crisis in Farnworth & Kearsley.**

In 2018 we fed 4100 **local people** who had been referred to the foodbank by local frontline agencies who had identified that they were in crisis and in need of food. We were able to ensure that everyone who came in with a referral was met by one of our friendly volunteers given a hot drink and then supported and signposted towards further help with their situation, as well as the food package that they came for! Donations like yours help to ensure that we can continue to provide support where it is needed and look forward towards a future without foodbanks.

Thank you again for your generous donation.

With blessings,

*Soo*
