

Dear parents / carers

School council have each met with their classes over the last week to decide who we should help this Christmas. Each class decided that it would be nice to help our local community during this difficult time, so we are running two appeals to help different causes.

Our first cause is to create 'care' parcels for residents in our local nursing home, to enjoy whilst watching our schools Christmas production, to make them smile whilst they are unable to have visitors. We will be having a non-uniform day on **Friday 11th December** and are asking for donations of £1 to put in the charity box in each classroom.

Our second cause is for Farnworth and Kearsley foodbank. Many children suggested donating food to the foodbank, so we will be collecting food for them this week. Please send in your goods before Friday 11<sup>th</sup> December to be kept in the boxes in each classroom.

Thank you for helping us to help others this Christmas.

The School Council.
