

15th March 2021

Dear Parents/Carers,

Following the return to school on Monday 8th March all the children and staff have settled well. We have taken this time to revisit our expectations linked to our COVID risk assessment and linked to learning. Everyone has responded well to this and have thoroughly enjoyed being back in school.

Over the course of the following weeks, we have planned a curriculum focusing on 'Recap, Recover and Rebuild' with the aim of returning to our usual timetables after the Easter break. Further information linked to our curriculum offer can be found on our school website.

After the Easter break, every child will complete their Spring term assessments and this information will be shared with you through parent conference meetings. More information on this will follow in due course. As always thank you for your continued support.

RELIEF

Congratulations to **RB** for achieving  
attendance **99.2%** this week!  
This is a **fantastic** result.

## SPECIAL SHOUTOUT!

We are so proud of **Aiza 3B, Zara 3B, Eesa RC and Jameel 5B!** They have been baking for charity and have raised a **MASSIVE** amount of money for 3 charities. You all have showed great compassion for those less fortunate!
