

SSSJ School Newsletter

27th April 2021

Dear Parents,

First of all welcome back to the new term at SSSJ. I hope you have all had a restful break over the Easter period.

I am writing today to update you with some sad news. Mrs Louise Copley who has been working at SSSJ school for over 17 years is leaving. She is pursuing a new career caring for children who are less fortunate than ourselves. I personally have worked alongside Mrs Copley for over 10 years and as much as I am excited for her in her new challenge, I know she will be missed dearly by all at school. Mrs Copley's last day will be Friday 30th April. I know you will all join me in wishing Mrs Copley 'good luck'.

School Direct Teacher Training

Our Teach North West School Direct course is currently recruiting trainees to begin their teacher training journey from September 2021

Do you know an outstanding candidate looking to begin teacher training?

At Teach North West, training is delivered in school from the very first day. If you find that **you learn best 'on the job' and would prefer to do all of your training and practice at a local school**, then our highly nurturing and trainee-focused School Direct course could be the best route for you.

"The School Direct route gave me first-hand experience in the classroom. From the start, I was able to work alongside experienced teachers that offered exceptional support and advice. Teach Bolton fully equipped me with the knowledge and skills I needed in order to progress with my career." Trainee 2020, now employed within a Forward as One school

Here's what some of our past trainees have to say about the course:

"The course is a fantastic opportunity to work with talented teachers and see how a classroom works from start to finish. I felt really supported throughout the training and was totally prepared to have my own class in September. I love my job as a Year 2 teacher and I wouldn't have completed my teacher training any other way." James 2018, now employed within a Vantage school
