

SSSJ School Newsletter

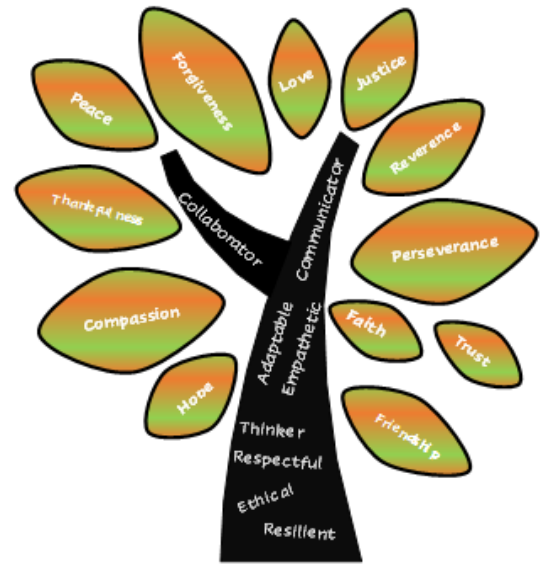

8th October 2021

First of all, I would like to personally thank all of our Year 6 lunchtime ambassadors for helping our school during lunchtime. You are all truly inspirational and are the perfect role models for our younger learners. Keep up the fantastic work. It is appreciated!

In terms of learning we have had many exciting new entry points linked to our new IPC units. Year 1 explored toys dating from Victorians times to the present day. They played with lego, role played in the home corner, took part in circus activities, and even dressed up. This was linked to their learning in 'The Magic Toymaker'. Year 3 completed a treasure hunt around the school, finding and solving clues to lead them to their final destination. You can find more information linked to what your child is learning at school through the class pages on our school website.
