## Parent Workshops

After running a very successful Year 1 parent workshop, we would now like to continue to develop this further by offering a number of different workshops so that you are able to further support your children at home. Listed below are workshops we would like to offer. More information linked to these will be sent out in additional letters.

**Year 2 Read Write Inc Workshop**  
(7<sup>th</sup> February – 9<sup>th</sup> February)

**Year 2 Parent Information session linked to examinations**  
(7<sup>th</sup> March)

**Year 6 Parent Information session linked to examinations**  
(9<sup>th</sup> March)

**Year 3/4 Read Write Inc Workshop**  
(21<sup>st</sup> March – 22<sup>nd</sup> March)

**Year 4 Multiplication Check information session**  
(28<sup>th</sup> March)

**Year 1/2 Phonics Screening Information session**  
(18<sup>th</sup> April)

*If you would like any further support from school linked to your child's learning, please do not hesitate to email the office.*

Beth Tweddle visited school recently to talk to the children about eating a balanced diet and how physical activity can improve mental health. She is a true inspiration, and we hope our children follow in her footsteps. The children have been given an exciting opportunity to enjoy a free taster session.

We have been focusing on our value **perseverance**.

**PERSEVERANCE**  
As a school community we value and celebrate perseverance by encouraging one another to take one step at a time to achieve our goals. Sometimes we may feel discouraged, but we foster a culture that recognises that very little that is really worthwhile in life can be achieved without perseverance.

We have been discussing how Andrea Spendolini-Sirieix, a British professional diver, admitted to nearly giving up on diving earlier in 2022 after developing a sudden fear of diving and wanting a normal life. However, she persevered and continued to train which resulted in her becoming a world junior, two time European senior, two time Commonwealth Games and two time national senior champion as well as a World senior medalist in the team event.

At home talk about challenges that you have faced as a family and how you have overcome them

## A Royal Visit

On Friday 20<sup>th</sup> January King Charles III made a special visit to Bolton to mark the 150-year anniversary of Bolton Town Hall. Each primary school in Bolton was offered three pupil places, as you can imagine it was impossible to choose from all our fantastic children, due to this the children were selected at random to take part in this historical event. Below are some photos from the event.

## AFTER SCHOOL CLUBS

We have allocated over 370 club places! Your child should have brought a letter home with the selected club highlighted; children will not be able to switch clubs. Please note all clubs have a maximum number and once reached, children will be placed on a waiting list. Please ensure you collect your child on time. If your child no longer wants to attend their club please let the school office know.
