## SPOTLIGHT ON YEAR 6

This week Year 6 have taken their external examinations. It has been a challenging time for our year 6 pupils but we are so proud of how they have shown true grit and determination every day to do their best. Even when faced with tricky questions, the pupils rose to the challenge. As a school we pride ourselves on developing our pupils' character alongside their academic ability, and the way the pupils tackled their assessments show

that we are developing real resilience in our pupils which will help them to face whatever challenges life sends their way in the future.

## SPOTLIGHT ON YEAR 2

Next week our year 2 pupils will be sitting their SATs. All pupils will need to attend school every day and on time. They need to arrive for 8.45am at the latest so we can ensure all pupils are in school ready to start the assessment. As you are aware these assessments will be used alongside the pupils' learning in their exercise books to determine an overall standard. This will be shared with parents through our end of year report.

I want to say a personal good luck to each and every one of our Year 2 pupils and staff. Shine like the stars you are!

Miss Katie Jones - Principal

Pupils who achieve the class dojo award have received the most dojo points throughout the week for showcasing different values as part of learning within the classroom.

Pupils who win the Golden Ticket have showcased the value we are focusing on as part of our whole school worship. They have demonstrated this value in all aspects of school life.
