

Dear Parents/Carers,

Excitingly, on Monday 29<sup>th</sup> April and Tuesday 30<sup>th</sup> April 2024 we will be having Cycle Sports Day workshops for year 3 and 4 in school. Through the workshop, the pupils will learn key technical skills about riding a bike and will also take part in a series of fun challenges, games, and mini competitions. The table below shows the day your child will be taking part in the workshop.

<b>Date</b>	<b>Year group and class taking part</b>
Monday 29 <sup>th</sup> April 2024	Year 4A Year 4B Year 4C
Tuesday 30 <sup>th</sup> April 2024	Year 3A Year 3B Year 3C

On the day of their workshop, the pupils will need to make sure they have their PE kits in school (white t-shirt, leggings/shorts and trainers or PE pumps). It is also recommended that they have a tracksuit top, joggers and their coat in school then they have something warmer to wear depending on the weather.

**If possible, the pupils will also need to bring their bike to school if they have one, along with their helmet. If they don't have a bike or it's not possible to bring it into school then there will be some pedal bikes, balance bikes and scooters available to use on the day.** There isn't enough for the whole group to borrow so if you can bring a bike into school then it would be much appreciated.

If you can bring a bike and a helmet to school on the date of your workshop can you please fill in the tear off slip below so we know how many people will be bringing them to school.

Regards,

Mr J Winteringham

Assistant Head
