

# SSSJ School Newsletter

3rd May 2024

On week beginning the 13th May our Year 6 pupils will be taking their external SATs examinations. Every child across the country will sit these assessments at the same time on the same day. It is therefore really important that your child attends school each day and arrives on time. The timetable for their examinations is shown below:

Monday	Spelling, Grammar and Punctuation
Tuesday	Reading
Wednesday	Maths Arithmetic and Reasoning
Thursday	Reasoning

The pupils have all worked extremely hard this year and we are so proud of each and every one of them. Keep up the fantastic work!

Miss Katie Jones (Principal)

## Golden Celebration

My headteachers award this week is linked to our new value 'Service'. We have been talking about how we can use our unique gifts to serve others.

This week I have awarded Amaya Y3 for using her organisational skills to help to give out resources in the classroom to ensure every child is ready for learning. Lucy Y4 has been serving others with her expert knowledge of her times tables. She has tried hard to learn all of her facts. Well done to both of you and keep up the fantastic work.

## APPOINTMENTS

Can we remind all parents that all non urgent appointments should be made outside of school hours. Pupils should only be taken out of school for emergencies only or hospital appointments that can not be rearranged. Please do not be offended when you are asked to provide proof of the appointments. This is to comply with council guidelines and school policy.

### Attendance

At SSSJ, we monitor attendance on a daily and weekly basis. We also speak to our pupils about attendance and punctuality as part of our learning review system. The table below details how we colour code attendance at SSSJ. We have also started to track the number of pupils in each class with 100% attendance on a weekly basis. Each parent receives an email celebrating this. This is a huge achievement and we are so proud.

Classes	Attendance	Number of children in each

Reception B	97%	26
Year 1A	91%	23
Year 1B	92%	23

This year we have rewritten our school vision and mission. This has been shared with you in previous newsletters. As part of this, we have also redeveloped our values. We have chosen 6 values that link to our vision. These values are linked to how we want to live day by day. Our value for this half term is service. Jesus was called the 'servant king'; his mission was to serve God and to serve all those people he met, through his teaching, his example and the way he led his life. This week we have been asking our pupils to think about how they can use their unique gifts to serve others.

We have also sent a home school value overview so you can explore this value at home with your child.

## Year 1 & Year 2 Arts and crafts club

This week in art club the children were busy creating collages out of clay. Year 1 and Year 2 used a range of plastic clay tools to make and sculpt patterns into the clay.

## We would like to say a very special well done to our class dojo winners for this week.

Pupils who achieve the class dojo award have received the most dojo points throughout the week for showcasing our different values. These pupils are the perfect role models for other pupils and to celebrate they can wear their own clothes on **Wednesday 8th May**.

## Spotlight on: Year 3 & Year 4 Cycle Sports Workshop

Our Year 3 and 4 pupils thoroughly enjoyed their cycle workshop. As part of their session they learned all about how to ride a bike through a series of fun challenges and mini games. We are amazed with the progress that the pupils made. Some pupils started the workshop on a balance bike and by the end of the session they were pedalling. Pupils should be encouraged to continue this learning at home.
