'I can do all things through him who strengthens me' Philippians 4:13

Our Values:

Respect, Hope, Compassion, Service, Justice, Perseverance

Our Vision: We strive to build a community which nurtures positive relationships that permeate through all aspects of life. A community where barriers do not define us, but instead offer opportunity for growth. No matter our background, through our faith, we will find the strength and courage to flourish as citizens of the future.

Our Mission: Empowering individuals to flourish together in the image of God.

The focus this half term is: Compassion

Parent Survey

At SSSJ, we like to receive feedback from parents and carers as it helps us to reflect upon our practice. We will use your feedback to make changes that benefit the children. We would really appreciate it if you could complete the short survey which was sent via email before **Friday 14th November.** Please see the link below.

Year 5 - Science

Year 5 have been learning about the distance planets are from the sun and how long they take to orbit. The children had fun making our own human solar system to represent it.

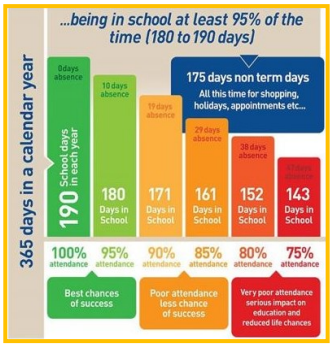

We would like to thank everyone who contributed to our Shoebox Appeal. Your support will greatly benefit families in need. Please continue reading our newsletters for future updates and progress on the appeal.

Please ensure your child attends school everyday. The term dates for this academic year are detailed on the school website under the parent tab.

Year 6 Reading

Last half term, year 6 had been reading an amazing book called 'The night visitors', all about a creepy house where some children go after being evacuated. When we finished the story we couldn't believe the twists that taken place! We loved this story and have created book reviews with our opinions and recommendations about it.

Worship Committee

On Tuesday our new worship committee met all together for the first time this term. They were planning and rehearsing a special worship assembly for Remembrance Day next week.
What a great team of young leaders we have here!

Hate crime workshop

This week, Years 5 and 6 took part in a fantastic workshop all about hate crime, with a particular focus on staying safe online.

The children learned what it means to be a good citizen in society — such as following rules and laws, and taking responsibility for their actions. They discovered that everything we post online can remain there forever, and explored how the emotional harm caused by online bullying can have a lasting impact throughout our lives. We also discussed the differences between prejudice, discrimination, and hate, and learned what to do if we encounter these behaviours either online or in person.

CELEBRATE!

We would like to say a very special well done to our class dojo winners for this week.

Pupils who achieve the class dojo award have received the most dojo points throughout the week for showcasing our different values. These pupils are the perfect role models for other pupils s and as a reward are able to come to school in their own clothes on **Wednesday 12th November.**
