YEAR 6 & CHOIR

Bolton School's Music Festival is on **Monday 15th June** at Victoria Hall. An online form has been sent to parents. Please book tickets for the event using the link provided - ***www.ticketsource.com/victoria-hall-bolton/schools-music-festival/e-ovbxky***

Please ensure your child attends school everyday. The term dates for this academic year are detailed on the school website under the parent tab. Term Dates - SS Simon & Jude CE Primary School

Attendance at school is **everyone's** responsibility. School and parents need to work in partnership to improve school attendance. With this in mind, we have developed our attendance chart to provide more information for parents. We have colour coded the attendance in line with the figures below.

96% and above. This is meeting our target.

95.9% - 94% This is working towards our target.

Below 94%. This is a cause for concern and needs to improve.

We have also added in a comparison arrow.

↑ **Class attendance has increased since last week.**

= **Class attendance has stayed the same.**

↓ **Class attendance decreased since last week.**

We have also included the number of lost learning days. When children miss days, they miss new learning and because lessons build on each other, the learning is not always revisited. This significantly impacts on your child's learning and development.

Classes	Attendance	Comparison to last week	Number of lost learning days
Reception A	90.3%	↑	14

Year 5 & 6 Origami Club

The Drawing Club has made a variety of animal bookmarks using paper-folding techniques and origami. The children carefully folded and decorated the paper to create different animal designs, such as foxes, rabbits, and birds. This fun and creative activity helped the children develop their artistic skills, improve their concentration, and learn new crafting techniques.

Year 1 Maths

In Maths, Year 1 have recently started their new unit on Fractions.

They began by recognising a half of an object or shape, using practical examples to help them understand how something can be split into two equal parts.

They then moved on to recognising and finding a half of a quantity, and worked confidently to share amounts into two equal groups.

We have Nursery places still available for September 2026. We can offer morning or afternoon places for 2 year olds and 3 year olds. If you would like your child to join our nursery, application forms can be collected from the school office. Please contact the office for further information.

We would like to say a very special well done to our class dojo winners for this week.

Pupils who achieve the class dojo award have received the most dojo points throughout the week for showcasing our different values. These pupils are the perfect role models for other pupils and as a reward are able to come to school in their own clothes on **Wednesday 10th June.**
